NEW ZEALAND

# HELP BRING ETHNO NEW ZEALAND 2027 TO LIFE

## 22–31 January 2027 | Aotearoa New Zealand

### Music. Culture. Connection.

**After a two-year break, Ethno New Zealand is coming back.**

**For ten days, young musicians aged 18–30 from Aotearoa and around the world will gather to share music, culture and traditions.**

**At Ethno, everyone arrives as both teacher and learner. Songs are shared, new arrangements are created, friendships form, and something new emerges together.**

**Ethno New Zealand is a small organisation powered largely by volunteer energy, and funding is particularly tight this year.**

**Your support helps us provide accommodation, kai, transport, Artistic Mentors, cultural guidance and an accessible programme for young musicians.**

### 🎵 A NOTE
**$25–$99**

Help with the everyday things that keep Ethno moving — materials, kai, transport and practical programme costs.

### 🎶 A MELODY
**$100–$249**

Help us create a welcoming ten-day experience for young musicians coming together from different places and cultures.

### 💛 A HARMONY
**$250–$499**

Help us keep participation accessible and support the Artistic Mentors and cultural guidance that help hold the gathering.

### 🎻 THE ENSEMBLE
**$500+**

Make a significant contribution towards bringing ten days of music, culture, learning and connection to life.

### 🌏 Ethno Champion — $1,000+

For people, organisations or businesses who want to make a substantial contribution to Ethno New Zealand 2027.

## WHY SUPPORT ETHNO?

- Because music gives us a way to meet one another beyond words.
- Because young people need spaces where curiosity, generosity and cultural difference are celebrated.
- Because every musician arrives carrying something worth sharing — and leaves carrying a little of everyone else.
